PROFILE

A Coffee & Tech Enthusiast. Deep interest in SaaS and passionate about creating a solution for business improvement. Enjoying working & living in a new environment with new technology.

Experienced Relationship Management and Production Management over the world for the past 6+ years. This journey has given me much confidence and ability to collaborate with diverse people. I'm competent in Team Management and Teamwork and proud of my emotional awareness for building firm relationships as well as solving the problems and meeting the needs.

PROJECT
